

Regulation (EC) No 850/2004 Declaration

OFFICIAL STATEMENT

REGULATION (EC) No 850/2004 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL
of 29 April 2004 on persistent organic pollutants (Stockholm Convention, "the POPs Regulation")

This is to confirm that to the best of our knowledge all Vox-Power power supplies and accessories are fully compliant with the requirements of European Regulation (EC) 850/2004 including all amendments to date.

In particular we can advise that at no stage during the manufacturing process used by Vox Power for the manufacture of its products, are any of the substances listed in Annex I of European Regulation (EC) 850/2004, or substances known to contain them, intentionally added to the product.

If any further information or clarification is required, then please contact the Technical Support team.
